Company Profile...

WELCOME TO

IKH GROUPS OF COMPANY

A Subsidiary of IKH Groups of Companies.

imran khan

GROUPS Chairman

Today IKHGROUPS has come a long way since its birth, achieving gradual growth and success along the way. As Group Chairman I'm focused on continuing the legacy and to build on our heritage with the underlying ethos of Commitment, Care and Vision. The Commitment to our clients who continue to believe in and support us in our long and adventurous journey towards achieving success and excellence. The Care towards the pillars of our organization, the diligent colleagues who carry out their responsibilities with utmost pride and dedication. Finally the vision in adopting long-term corporate goals in the desire to achieve sustainable exponential and dynamic growth for the entire group. With these 3 core principles imbued in our corporate culture, IKHGROUPS is confident in delivering on its promise for the next 50 years.

Onwards and upwards,

IKH GROUPS
Groups Chairman

CEO

At the outset, we feel privileged and proud to serve the entire Middle East as a premier General Construction Contractor. we are very glad and welcome you to view our company's website which gives you an overview about our organization and our operations. This visit to our website would enlighten you about our corporate philosophy, successful projects being handled & completed, and profile of our clientele. Again, surfing our website would also give you a vivid picture about our prominent role in the construction industry in the Middle East and saga of our success in achieving our objectives by, "providing high quality service within a reasonable budget, delivering with in the stipulated time frame" maintaining highest degree of quality and safety in all our endeavors.

IKHGROUPS has rapid, balanced growth and has always maintained a sound financial backup and the company enjoys impeccable corporate reputation . One of the two pillars of IKHGROUPS corporate Philosophy is to follow up and implement the latest state-of-the-art construction technology and the other is our determination to uphold quality and safety throughout execution of the works undertaken.

I would like to extend my congratulations and thanks to all loyal IKHGROUPS employees, our clients and our faithful subcontractors, for making IKHGROUPS what it is today

May the Almighty Allah shower his abundant blessings for us to achieve even bigger milestones in the years ahead.

I would like to thank you for visiting our website and solicit your attention to watch out for future updated data and information about IKHGROUPS

**Thank you,
H.M Emam Hossain
Chief Executive Officer**

Message From The GM

I am delighted to GM a Company to you that is 'built to last' and is proud to have continually delivered the right engineering and construction solutions for our public and private sector clients since its inception.

There is a story in every project we build . A personality ingrained by those who design and build it. No matter what our client's project challenge , we will offer the smart people with the desire and dedication to get the job done right. We don't just build public and private infrastructure, we make a commitment to understand our client's needs and offer an end - to - end solution to every project , big or small , no matter what it is or where it ' s located . Our creative approach is what makes us stand out from the crowd , and that ' s why our projects consistently win and why we generate repeat business . Anyone can build it , but we believe that we build it better . We have some of the best and brightest in their fields working for us. It's something we' re proud of , we strive to be the industry leaders , and it shows in our work.v

In IKHGROUPS we believe in reliability, integrity, professionalism, innovation, total quality, teamwork and respect to the clients and associates. These real values of life grant IKHGROUPS recognition, not only in the construction industry but also in the society. As a result of this attitude and in a spirit of consent and mutual respect, IKHGROUPS is proud to be one of the few companies that seek, achieve and maintain strategic and individual collaborations with repetitive and reputable clients, as well as other reliable contractors. We always seek to employ and develop enthusiastic individuals related to our line of business that share and appreciate our values.

At Asian Star General Contracting , we have a strong belief in our people and the passion they generate to deliver on our clients' infrastructure challenges. Please do not hesitate to e-mail us or get in touch with one of our business or service units through the contact page

A Subsidiary of IKH Groups of Companies.

Project Support Service

- Site Development work including back filling, compaction, site grading and lean concrete for blinding
- Construction of different types of site fence including installation of gate.

Site Development

IKH has a full range of equipment and available man power capable of developing at grade sites and structures. Our services start with GPS topographic models which are transferred into our grading equipment onsite for added speed & accuracy on the ground. We can also provide surface demolition , clearing , pre - wet , track out and other civil services

Structural Excavation & Backfill

We are expert in structural excavation & backfill. We pay special attention towards excavation to lines and grades, over-excavation, & specific compaction requirements essential to the building's integrity and lifespan. We will work side - by - side with other contractors to help coordinate the schedule while meeting cost requirements and tackling logistical challenges typically involved on now projects

IKH will generally mitigate the track-out of dirt and truck hauling by using the same aggregate and palliative stabilization, larger size rock at the entrances/exits, and street sweeping.

Mass Excavation

IKH has been in the mass excavation and backfill business which included several of the projects that have shaped its unique skyline. We pride ourselves on our ability to take on the largest most difficult excavations in a cost effective and timely manner , we has the unique and shoring.

Topographic & Land Surveying services

IKH Goal is to be your company's number one choice for all your land surveying needs. We can provide you with land surveying services in a timely and accurate manner while staying cost effective. In order to accomplish these tasks, IKH continually stays current with the latest technology from field equipment to software.

All members of the field crews have experience in residential, commercial and industrial surveys, along with construction layout

Inside the office, IKH is always current with the latest software available. Currently, we are using AutoCAD along with Soft desk's Land Development Desktop software. IKH has accounts with many countries in order to receive all necessary research in a timely manner. Creating PDF's and having an in house plotter allows IKH to deliver projects in any format requested
